Are you ready for the Christmas season and the upcoming new year? Check out the [December LCF Connection](#) to read about these topics and more! The **LCF Connection** is available in the foyer, as a PDF via email, or digitally on LCF's website.

We are facilitating giving towards Rosedale Business Group's 2024 **Christmas Giving Projects** through the end of today. Brochures with details are by the mailboxes. Note on the check memo or select from online drop-down for which project(s) you'd like to give to.

We hope that you will join us **next Sunday**, December 22nd, for our 2024 **LCF Family Christmas**—a special celebration of the birth of our Savior through scripture, songs, and readings. Plan to come a little early to enjoy a light continental breakfast in the foyer before the special Christmas service. The service is designed for the whole family so there will not be any Sunday School.

A **Ladies Study** is starting January 8th. We will meet in London on Wednesday morning, from 9:30-10:30 am for six weeks to study 1 Peter and support each other in prayer. Please contact Molly Rosati for more details.

*A new year approaches. Consider starting a **Bible reading plan** starting on January 1st. Try it! Bible reading is not just reading about something. It's not simply getting information. It is a chance to let God speak into your life daily. It can change you; heal you; comfort you; challenge you; correct you.*

Many Christians only read their Bibles a little bit, infrequently and piecemeal. A plan helps you to keep on track and cover more ground. This year at LCF, we will emphasize a modest plan that has you read the New Testament in a year—basically a chapter a day, but wait, that's not all! There are 260 chapters in the New Testament, and this plan is a 5-day-a-week plan. If you miss a day, you can easily catch up and keep up.

Our service on December 29th will be dedicated to the role of Bible reading in our lives, and promoting Bible reading for our LCF family. We'll have plans and Bibles ready for you (if you want or need one). If you're already using a plan, then stick with that if you like, but if you're looking for a New Year's resolution that matters more than all the others and won't be too hard to keep, this may be your chance. See Rob or Reuben with questions/comments.
